

# Example Human Restoration Proof-File Index (Redacted)

Structure sample for buyers | MamaDEX Human Restoration | Issued 2026-06-12

**What this is:** a redacted example of the index page included in a buyer-ready social evidence pack. It shows the structure only — every value below is dummy and all personal data is removed.

Note: Buyer packs remove raw GPS coordinates and contain only Buyer-consented media. The archive is sealed with a manifest and a SHA-256 integrity hash, and is retained for seven years. Sample only — not a real pack.
